Trade Sites Available (Please tick the site required)

Inside 3m x 3m = \$440 4m x 3m = \$550 6m x 3m = \$660

All Indoor Sites incl. GST. All sites are three meters deep by your specified length. Each stand includes exhibitor weekend passes. If you require wall panelling, carpet, one power point, lighting and Trading name fascia, these are available at an additional cost of \$35 per square metre.

Outside 3m x 3m = \$330 4m x 3m = \$440 6m x 3m = \$550

All Outdoor Sites incl. GST. Includes exhibitor passes. Exhibitor is responsible for any facilities or structures required. Please contact the office for other size sites.

Trade Stand Locations

SHOW CAR MASTERS PAVILION

It's here where the most stunning show cars will be on display. If your product or service is aimed for those who prefer the glitz and glamour over the sheer horsepower, this is the building for you. There is limited space however, so please call us if deciding to go indoors.

STREET CAR SHOW 'N' SHINE

The trade area outside the Show Car Masters pavilion are more suited to those who operate out of Vans and trailers, but also for those who have their own marquees to assemble. Here you will find everything from diecast cars to t-shirts, memorabilia, performance car parts and classic car imports.

We will endeavour to place traders that may sell similar products and/or services as far away from you as we can. This may not always be possible, but all efforts will be made.

We encourage our traders to offer 'Show Specials' to the people who come to visit the show and the entrants themselves. Our announcers will be available to promote your specials at times that suit you. Traders are also encouraged to add promotional material to our Entrants Goodies Bags – numbering 500 in total.
